مودة الرافدين

FOUNDER

HAVIN GULABAKH

With a solid background in global mobility and a sharp entrepreneurial drive, Havin Gulabakh established Wardat Al-Rafidain to guide individuals through international education and relocation. Her focus on clarity, quality, and results has shaped the agency into a trusted name for those pursuing new directions globally.

Driven by a strong belief in the potential of Iraq's youth and professionals, Havin actively engages with international forums and institutions to build meaningful connections and expand opportunities for Iraqis abroad. Her participation in global platforms, including the **World Economic Forum in Davos**, reflects her commitment to representing Iraq positively and ensuring that the aspirations, talent, and capabilities of Iraqi citizens are recognized within the international community.

MISSION

We are committed to expanding access to legal and secure pathways for residency, relocation, and international travel. Through transparent, reliable services, we help individuals and families navigate their global journey with ease.

VISION

vision: To become the first choice in global mobility, enabling people to relocate, travel, and connect across borders with confidence.
